

Research Passport and Contractual Arrangements Pathway

Key:

RP = Research Passport

HRC = Honorary Research Contract with the NHS Trust

LoA = Letter of Access to the NHS Trust's patients/ patient records/ service users

ECRB = Enhanced Criminal Records Bureau check. As of October 2009 all CRB checks must be ENHANCED. Any activity relating to patients or patient data is from that period a "regulated activity" as defined in the Safeguarding of Vulnerable Groups Act 2006. This was extended to include all those accessing only identifiable patient data from July 2010.

OH = Occupational Health (check usually undertaken by substantive employer with update from applicant where necessary).
